COACHING:

There is nothing more rewarding than working with kids in sports, helping them to grow socially and be physically fit. You don't need a great deal of experience, just a genuine interest in helping kids have fun. We have several resource books to help you get started.

We are looking for volunteer coaches for each team. Please indicate if you are interested.

You will always miss 100% of the SHOTS you don't take. Choose to participate!
